

CORONADO
BEACH RESORT

Coronado Islander

August 2014

Another great summer in the books!

The entire team has enjoyed welcoming back our Summer Owners for another year of Southern California sunshine! New activities such as Geocaching, Play on the Bay, and Movie Nights have been added to the schedule. New beach equipment and additional bikes are available, so we have plenty of activities for you to enjoy around the Island.

New artwork

The artwork has been replaced in the units creating a new look, while still maintaining the “beachy” charm you enjoy so much. Owners have been giving high remarks on the updates seen in the units.

Planning for the future remodel

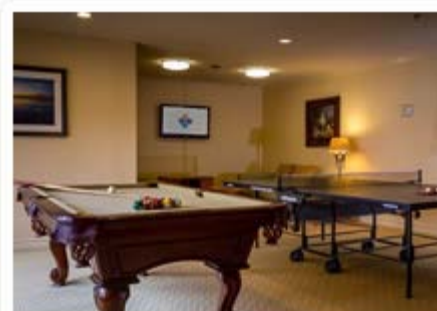

Planning is officially underway for the next phase of the remodel. We are scheduled to start again in November and have all work completed by mid-January. Upgrades to kitchens, bathrooms, case goods and bedding will take place, along with some nice upgrades to the Owners’ Lounge and common area restrooms.
