

Greetings!

Happy Birthday Coronado Beach Resort

Did you know that Coronado Beach Resort opened in November 1992? That makes us 23 years old this month! Many of our Owners purchased their Timeshare week that same year and have watched the Resort evolve into what it is today. Thank you to our dedicated owners.

Reserve Projects

The Spa Deck remodel was completed in early September! The new spa, remodeled sauna, decking, upgraded railings, lighting, and new furniture look beautiful! We have recently started work in the Gym area. The restrooms are being remodeled; carpet and windows replaced, and additional storage for activities supplies are being added. To finish up the year, we will remodel the Hallways and Owner's Lounge in December. We are also looking forward to a cable television upgrade by the end of this year.

Activities Update

With Breanna Wampler leading the Activities department, we have made some fun new changes! Since breakfast activities are an Owner favorite, she has added a Pancake Breakfast to the schedule. Owners can purchase pancakes, sausage and orange juice for just \$3 per plate. Additionally, she has improved upon activities like the Sangria Social and Wine Tasting by adding food pairings. Since the weather has been so warm, the Lunch Social has continued into the fall season.

Resort Resale Department

Are you interested in spending more time at Coronado Beach Resort? We have some great weeks available for sale! The resale team also has a very enticing Owner referral incentive program. If you have any friends or family that would enjoy Timeshare Ownership at Coronado Beach Resort, as you have throughout the years, please contact Meaghan Farley directly (760-715-9800). For a limited time only, if your referral purchases a foreclosure week, you will receive \$300 off your annual maintenance fees.

Team CBR

Congratulations to Coronado Beach Resort Housekeepers who participated in Grand Pacific Resorts 4th Annual Housekeeping Olympics. Our team was well-represented, placing in three of the four events: Bed Making, Towel Origami and Trash Basket. This annual event is such a fun way to honor the hard-working individuals that make our Resort what it is.
