The Shore Line
May 2014

Spring is here!

2014 Annual Meeting will be here before you know it.

One of the items of business will be the election of our Board of Directors. If you would like to run for election, this is your opportunity. What is it like being a Board member? In a nutshell, you and four other Owners will be volunteer directors of the Channel Island Shores Vacation Plan Association. You will spend many hours of service as a diplomat, negotiator, financial analyst, decision-maker, and communicator all rolled into one. If you are interested, [click here to download form](#). You may submit the nomination form by July 25, 2014 (submission instructions and mailing address included on nomination form).

Resort Landscaping Will Create a Great First Impression

Our maintenance team has been working diligently on the resort landscaping. The resort grounds look consistently more beautiful everyday! The front entrance received some new enhancements to help create the best first impression.

Decorating Enhancements

The inside of your unit has some new decorative items for you to enjoy! The resort obtained vases for the living rooms and large centerpiece bowls for the kitchen tables. We hope these small touches enhance your experience during your stay.

Sign the Guestbook!

The new Channel Island Shores Guestbook is here! We are asking all Owners to share their email and birthday month at arrival. This will assist in email collection to support our resort's Going Green efforts. A birthday email from us will also be delivered to you during your

birthday month. Please make sure to sign in during your next visit!

Do you have a Special Celebration?

Owners love to celebrate at Channel Island Shores! During pre-arrival calls, the Front Office team will call to remind and confirm your reservation. Additional information including any celebrations of an event during your stay is collected. When you arrive for your week, a CIS resort pin button, placed on the towel origami animal, along with a card will greet you at arrival. The resort pin button is our gift to you for choosing to celebrate your event with us!
