MarBrisa Bulletin
May 2014

MarBrisa Looks Great!

When you next visit you will see several changes
The Lobby is on schedule to open June 1. Owners, Guests, and staff couldn't be more excited! Construction teams are forging ahead so we can also add Villa 58 to the list of units opening with the Lobby.
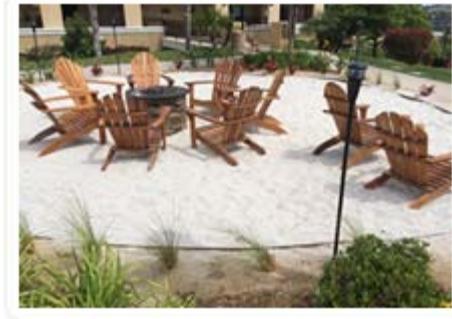

Resort Upgrades
Although MarBrisa may be two miles away from the beach, we didn't let that stop our Owners from getting their toes in the sand by bringing the beach to them! The new Paradise Point is fitted with ample soft white sand, a cozy fire pit, adirondack chairs, and fun Tiki torches to light the night sky. This is the perfect place to watch a beautiful sunset and relax.

Resort Upgrades continue to be seen around the property with the completion of the Sunset Spa replastering and the opening of Paradise Point (formally known as the Sunset lawn). MarBrisa has also gotten a new reserve project underway to upgrade our cable provider! Check out these photos for an idea of what's been going on and what you can expect to see when you return.

Annual Meeting Excitement
A heartfelt thank you is in order to those who carved out time to join us for the Annual Meeting and Owner Appreciation Expo. Some fun photos of the event are here for your enjoyment. For those looking to stay connected I encourage you to follow us on Facebook.com; where exciting news and photos are regularly posted.

I hope this update provides interesting insights into your resort over the past few months. On your next visit I encourage you to stop by and say hello; I would love to see you!

Kind regards,

Ben Sjodin
General Manager
