## ALOHA!

### Annual Meeting

Owners took part in the Annual Meeting on June 26, 2014. The meeting highlighted all the great news at the Makai Club. An overview of the year, positive financial results, a detailed management report, a raffle and the Grand Opportunity were some of the highlights. After the annual meeting, the resort staff hosted a Mai Tai party at the pool. It was a day filled with fun celebrating the Makai Club!

### ***One Less Thing to Purchase***

Two water purification systems have been installed for your use; at the pool and in the lobby. There is no longer a need to purchase a case of water for your vacation. Just bring your favorite refillable water bottle and fill up on free water all week. For your convenience, pitchers are also in each room. The purified water is part of our Green Program. In 2008, 30 billion plastic water bottles were purchased and less than 20% of those bottles were recycled. Plastic water bottles end up in the landfills, and unfortunately our oceans.

In providing purified water our carbon footprint is lowered. This is our small effort to help eliminate all those plastic bottles and REUSE to help our oceans and beautiful island. We are also enhancing our recycling methods to make it easier for you to recycle on vacation. Individual containers are in each room which we can collect at any time during your vacation. The Going Green is a important program at the Makai Club! Reducing our electrical use by raising the temperature in unoccupied condos also benefits our green program.

***More for your Vacation!***

Adult bikes are now on property for your pleasure! Owners are enjoying peddling around Princeville on the new bikes. There is no charge, and because they are so popular, we just ask that you bring them back in two hours. We also have four sets of golf clubs now available to Owners at no charge! We only request a deposit and they be returned the same day. And there is a plentiful supply of beach chairs and beach mats for your convenience -no longer the need to purchase those items at Costco on your way to the resort!

***Before you Arrive***

Snorkeling equipment and boogie boards are now available to rent on-site to help you get to the beach faster! Our concierge can help you with those beach items as well as helicopter tours, horseback riding - you name it, and they are here to serve you! Our concierge is available at (808) 826-8812.

A hui hou!

Julie Daronco
