Beach Club Journal August 2014

Mid-Summer at the Beach Club....

Summer at the Beach Club is proving to be better than Owners could have imagined. We had a wonderful 4th of July BBQ with veggie burgers, hamburgers, hot dogs, chips and drinks. Summer Activities like Captain Les's sailing tour is creating memorable memories with sightings of sea lions, whales, and dolphins.

Resort Associate Promotions

Southern California Beach Club has promoted two great associates: Cande Villa assumed the Housekeeping Manager position when it became available and Cody Asselin was promoted from Guest Services Supervisor to Front Office Manager. They look forward to being at your service and exceeding your expectations during your next visit.

Working to Improve Our Beachfront

Many Owners have noticed the abundance of rock on the beach in front of the resort which appears periodically. The City has not extended the sand restoration project beyond the pier and the lack of sand limits the amount of space for playing or simply relaxing on the beach. I have reached out to Steve Rodriguez, Manager for Harbor/Beaches, and the Mayor, Jim Wood, regarding the condition of the beach and will continue working with the City to plan the best approach to improve beach conditions. PPlease email me at <u>Shumberstone@gpresorts.com</u> with any suggestions so I may ensure that the City receives your feedback.

New Look

If you happen to wonder about the ocean tide on your upcoming visit, all you need to do is checkout the new Tide Calendar Clock above the sunset/dolphin bell. We have a new pair of binoculars, too. New stairwell lights have been installed to illuminate your path as you walk

the stairways from the fourth to the first floor. In our continued efforts to be green, there are new drought tolerant succulent plants in the pots at the entrance of the resort.

Associate Recognition

Kevin Russell was voted by his fellow associates as the Employee of the 2nd Quarter. Kevin's #1 focus is guest satisfaction and he willingly works with any department to help get the job done. Congratulations Kevin!
