Greetings MarBrisa Owners!

A call to the wild...

access into their Discovery Center located just a half mile away where guests can learn all about the amazing natural surroundings/wildlife Carlsbad has to offer. The Foundation also coordinates amazing events throughout the year complimentary for our guests such as Sea Creature exhibits, Coyote adventures, Astronomy nights, and so much more.

Lights out!

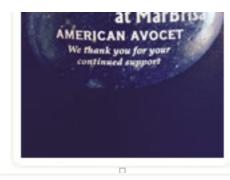

Continuing with our ongoing efforts to increase our sustainability; our Maintenance team has replaced 40 light switches with motion sensors in our storage rooms. This change out will help us ensure that our lights are only on when we are using the areas.

Colors are changing...

Our main parking lot has undergone a landscaping transformation to enhance the appearance of this area. It is important that we always maintain a great look even in our parking areas. This parking area also doubles as the walkway in between our two phases and leads excited families down the path to our private Legoland entrance!

Introducing our 2014 Associate of the Year

Congratulations to Matthew Perez on winning this prestigious award. To be truly great in anything, you have to genuinely care about the work you do. Matthew exemplifies this enthusiasm each and every day. He is the type of person you just want to be around and is willing to help out our guests and any Associate regardless of what department they work in. He began his career with us about 10 months ago without much knowledge of Maintenance. However, his personality and drive to become the best has enabled him to perform at a high technical and service level. Matthew is not afraid to take on any challenge and is willing to help the MarBrisa team in any capacity. If you ask Matthew though, his greatest achievement is being an amazing father to his little boy. Congratulations again Matthew!

Kind regards,
