MarBrisa Bulletin

April 2015

Spring is definitely in the air as MarBrisa gets ready for fun in the sun!

Ride the Tide

Grand Pacific's very own open air beach trolley is back taking excited

guests down to Tamarak Beach in Carlsbad. There you will find miles of beaches to take a stroll, set up camp, and/or give surfing a try. So leave the car at the Resort, hop on the trolley, and soak up some of that California sun! The trolley will operate on the weekends during the spring and will be available seven days a week during the summer months.

New Buildings shaping up

The fences are down and Villa 59 is on schedule to be the first of the three buildings to open this summer. We are excited to introduce a brand new unit type to the collection which will offer families an additional option. This unit type will be a two bedroom suite which connects to a studio to create our first three bedroom lock off. This Villa will also have amazing views of both Legoland and top floor villas will enjoy sunsets over the ocean!

Carpet install completed

Maintaining our guest rooms in “like new” condition is one of our main goals and I am happy to report that we completed a full carpet replacement in 15 of our suites in the Paradise Point location. A more comprehensive renovation for our guest rooms in Paradise Point will be scheduled to take place over the next few years.

Kind regards,

Stephen Arent
General Manager
