Mountain Retreat Connection

March 2015

Greeting from Mountain Retreat!

Springtime is almost upon us and many

beautification projects are underway outside and inside of the property. The staff has been busy deep cleaning all units during the slower season; mattresses have been flipped; all appliances pulled out and cleaned and the flooring deep cleaned in all unit kitchens and bathrooms. The Maintenance Department will soon be prepping the grounds for spring plantings and additional landscaping, which is always a fun activity. Next, they will be pressure washing the unit decks for re-staining and sealing, as well as staining the exterior doors.

As our busy season approaches, the Housekeeping Department will be welcoming new associates to the team to ensure that the cleanliness of your unit meets your expectations and standards. These new additions will support our dedicated year-round staff.

New Maintenance & Housekeeping Building!

Exciting times are here for both the Maintenance and Housekeeping Departments. We are happy to announce the completion of the new maintenance & laundry facility! Our new facility is equipped with state-of-the-art commercial washer & dryers and plenty of space to move around. Your Board of Directors worked very diligently to procure the very best equipment at a fraction of the cost for a savings to the project. The new laundry equipment will ensure proper care of all the newly purchased linens, towels and comforters for the units. We also now have adequate folding tables and storage space for items. Come check out our new digs during your next visit.

Front Desk staff hard at work

Years of dedication, hard work and heartfelt moments that our Front Desk Agents bring are the first stepping stones in creating your vacation dreams. Whether it's making your reservation or having a heart to heart talk, our Front Desk staff does it with open arms. The Front Desk continues to make 2015 reservations and as a friendly reminder, the 2016 reservation window is fast approaching. If you have not already made your 2015 reservation now is the time. With the 2016 reservation window approaching, we encourage you to start thinking about vacation plans for 2016. Please contact the resort if you need a use week calendar or any other information pertaining to making your reservation.

Best Regards,
Jennifer Langdon
