

RiverPointe Grapevine

February 2015

Hello RiverPointe Napa Valley Owners!

Atlas Social

Napa Valley has always been known for their fine dining in the valley. Located in the downtown district Napa has a new up and coming restaurant called Atlas Social which opened to the public on January 8th, 2015 with the promise of small plates and global flavors.

With 100-plus seats, including two dozen on a street side terrace when weather permits, Atlas Social is the handiwork of restaurateurs Michael Gyetvan and Christina Rivera and their partners, Executive Chef Nick Ritchie and General Manager Pat Jeffries.

Ron Campbell - New Maintenance Manager

RiverPointe Napa Valley has recently hired a new Maintenance Manager, Ron Campbell who has over 20 years experience in maintenance. Although he has only been with RiverPointe for a short time, he is already a great addition to the RiverPointe team. From water heaters to room maintenance we know Ron will execute each project with care and hard work.

New Years Eve

2014 was a blast this year. Our guests and the Elks Lodge teamed up to have a wonderful time and bring in 2015 with the theme of the Rat Pack Era. The evening started with martinis, along with music by Frank Sinatra, Dean Martin and Sammy Davis Jr. Dinner choices were Beef or Salmon Wellington with garlic mashed potatoes. Complementary transportation was provided by Napa Valley Tours. Owners and Guests danced the evening away and celebrated at 9pm and 12midnight with champagne and snacks. A great time was had by all who attended.

Best regards,
