

Greetings!

Reserve Projects

The Spa Deck remodel is officially underway! Demolition started in late April. We will be receiving a brand new spa, remodeled sauna, new decking, upgraded railings, lighting, and beautiful new furniture! It is very exciting to freshen up the space, and ensure total comfort while taking in those breathtaking views!

Facilities Update

The maintenance team is preparing for the busy summer months at Coronado Beach Resort! We have been replacing filters and cleaning coils to ensure maximum efficiency from our air conditioning units. We are also looking forward to increased bandwidth for wireless internet, and upgraded cable television.

Activities Update

Sunset Sail is back! One of our Owner favorites is the wonderful three-hour tour of Coronado Bay. You will be greeted with champagne and an amazing view of the sunset. Also, we found a new vendor at a local Farmer's Market. Our new activity is sugar scrub and soap-making with local vendor, Amber Jade. It's a great chance to make your own soaps and scrubs with essential oils and other natural ingredients. And lastly, Ms. Cody got a new perch! Now she can assist our team at check-in by greeting our Owners from behind the Front Desk!

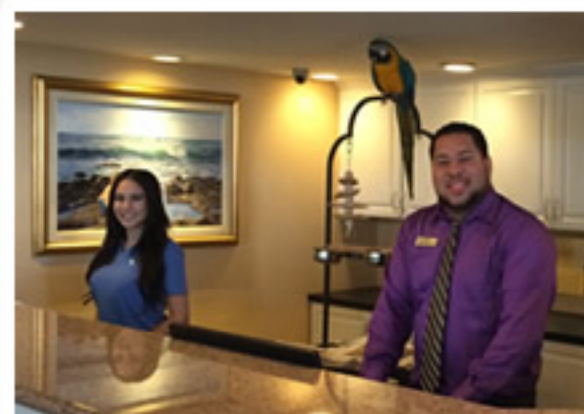

Resort Resale Department

Are you interested in spending more time at Coronado Beach Resort? We have some great weeks available for sale! The resale team also has a very enticing Owner referral incentive program. If you have any friends or family that would enjoy Timeshare Ownership at Coronado Beach Resort, as you have throughout the years, please contact Meaghan Farley directly (760-715-9800). For a limited time only, if your referral purchases a foreclosure week, you will receive \$300 off your annual maintenance fees.

Team CBR

One of my favorite things about the CBR team is the dedication to our local community. For Earth Day in April, the team decided to join the San Diego Adopt-a-Beach Program. We have committed to organizing three beach clean-ups this year to show our support for Coronado Beach. We also continue to donate our used coffee grounds to the local Community Garden. And the best part is both of these ideas came from hourly associates who have a genuine passion to give back to the community.

On behalf of the entire team, we look forward to welcoming you and your family soon!
