

Summer has arrived at Channel Island Shores Resort!

We are excited to welcome You, our Owners, with new Activities just in time for summer. T-Shirt and mini tote decorating has now been combined during our Arts and Crafts day activity. You can create a personalized souvenir to take home!

New coasters are a recent addition to our room amenities! We hope this upgrade will encourage our Owners and Guests to protect our wood furnishings from water damage. New BBQ tools were also purchased and are ready for you to enjoy. These additional touches only help enhance and beautify our units!

We are so happy to announce that the Board approved upgrading our wireless service and all our buildings were upgraded in late April. Owners and Guests have reported great connectivity and service since the upgrade!

The Sales Legacy Group continues to market and sell our units! Share the joy of Channel Island Shores vacations with family and friends and you could be eligible for a \$300 referral fee (\$300 will be applied to your HOA dues account) after close of escrow! Refer your friends and family to our Sales Department by contacting Paul Praver at 808-280-1234.
