

The Shore Line
October 2015

Fall is here at Channel Island Shores Resort!

We are excited to welcome you this fall with new Activities such as the Photo Scavenger Hunt, Italian Soda Bar, and the Hula Hoop Contest. We also continue to replenish our treasure box with prizes to create excitement and entice participants to join us!

Installation of new carpet is underway and is scheduled to be complete by November. The maintenance team recently installed 32 new fire extinguishers in every unit and common areas which help ensure the safety of everyone at the resort.

We continue to work to exceed the expectations of Owners and Guests. In order to provide service to those arriving early or are in need of a late departure, the resort has set up the Activities room as our new hospitality area. This provides an area with a shower and a place to relax while guests are waiting for their unit or if they have a late flight home. We have also received positive feedback from Owners who are utilizing the room to extend their time at the beach before heading home. Another positive aspect of this service is that units are vacated by check-out time which helps ensure that units are ready for our next Owner arrival.

Share the joy of Channel Island Shores vacations with family and friends and you could be eligible for a \$300 referral fee (\$300 will be applied toward your HOA dues account) after close of escrow! Refer your friends and family to our sales department by contacting Paul Hancock at (866) 574-4964.
