

CARLSBAD SEAPOINTE

A GRAND PACIFIC RESORT

Seapointe Wave
October 2015

Greetings Carlsbad Seapointe Owners,

Your Feedback at Work!

Thank you for your feedback and suggestions. It is always a pleasure hearing from our Owners. Based on your input, we have added additional umbrellas to increase the amount of shade in the lounge area. Also, for our Owner's convenience we have added an in-room safe to store personal and valuable items.

Introducing Mohsen Khaleghi

Seapointe and the Grand Pacific Management team would like to welcome Mohsen Khaleghi to the Grand Pacific family. Mohsen is a new Vice President of Operations for Grand Pacific Resort Management. His role is to oversee the operations of the Palisades, MarBrisa and Seapointe. He has 33 years of hotel experience working with Hyatt and a wealth of knowledge in the hospitality industry. When asked why he chose the hospitality industry for his career, he responded that "it chose me." He was able to use the flexible hours and work schedule to put him through school and ultimately propel his career in the industry. Mohsen brings passion, commitment and a sense of urgency to drive positive results in the workplace and ultimately increase customer satisfaction.

Keeping it Green

Owners are as passionate about going Green as we are at Seapointe. One way we create additional energy savings is through reducing our laundry needs. To accomplish this, we are installing four additional towel hooks in the one-bedroom units and six in the two-bedroom units. Soon our Owners will be able to dry their towels in their units rather than having to replace them through the week!

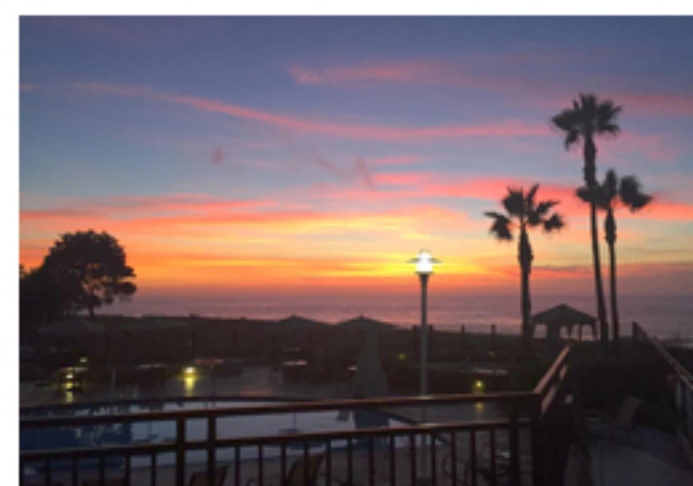

Lottery Time!

In your recent Sea Views newsletter you should have received your 2016 lottery card. Please be sure to complete and return your card so you can participate in the unit lottery. We have had great success with this program and we want to ensure our Owners participate. If you have any questions or need assistance completing your card, please feel free to contact us.

Kind regards,

Ben Sjodin
