

GRAND PACIFIC PALISADES RESORT & HOTEL

Palisades Coastal Review

October 2015

Greetings Palisades Owners,

While the summer season has come to an end, the Palisades remains busy as always.

The New and Improved Karl Strauss

This past month Karl Strauss was closed due to brewing up a brand new look. Karl Strauss is now open and looks absolutely fantastic. There is a new front patio with additional seating and a warm fire pit where you can sit outside and enjoy the amazing beer and food that Karl Strauss has to offer. The interior of the restaurant is brighter and has a lot more flare. Please make sure you stop by Karl Strauss on your next visit. We are so pleased to have them as our partners.

Introducing Mohsen Khaleghi

The Palisades and Grand Pacific Management team would like to welcome Mohsen Khaleghi to the Grand Pacific family. Mohsen is a new Vice President of Operations for Grand Pacific Resort Management. His role is to oversee the operations of the Palisades, MarBrisa and Seapointe. He has 33 years of hotel experience working with Hyatt and a wealth of knowledge in the hospitality industry. When asked why he chose the hospitality industry for his career, he responded that "it chose me." He was able to use the flexible hours and work schedule to put himself through school and ultimately propel his career in the industry. Mohsen brings passion, commitment and a sense of urgency to drive positive results in the workplace and ultimately increase customer satisfaction.
